This is a change of ownership of an existing business. Tempe city code requires that the Tempe Police Department conduct a background investigation on all liquor license applicants. Additionally, the city code requires that business locations be inspected by Fire Prevention, Building Safety and the County Health Department to ensure the establishment meets minimum city and county code licensing criteria. The Community Development Department has determined that a use permit is not required at this time. The premises has been posted for a 20-day period, per Arizona Revised Statute. No public opposition has been received regarding this liquor license application.

State statute requires municipalities to make one of three recommendations to the Arizona Department of Liquor Licenses and Control (AZ DOL):

1. Approval
2. Denial (this results in a public hearing set by the AZ DOL)
3. No recommendation (this may result in a public hearing set by the AZ DOL)
